

THRASHGANGSTERS

INDEPENDENT OLD-SCHOOL THRASH METAL • KOBLENZ / BONN

BANDBIOGRAFIE

Die ThrashGangsters stehen für authentischen Old-School Thrash Metal aus dem Raum Koblenz / Bonn. Ohne sich an moderne Trends anzupassen, verbindet das Trio klassische Riff-Gewitter und treibende Beats mit ganz eigenen, vielseitigen Einflüssen zu einer mitreißenden Live-Show.

Nach der Veröffentlichung ihrer ersten Demo „*Terror Has Begun*“ (2015) erspielte sich die Band eine feste Basis im Metal-Underground. Es folgten das von der Presse gelobte Studioalbum „*Perseverance*“ (2020) sowie der Nachfolger „*Terror Has Begun*“ (2023).

Derzeit befinden sich die ThrashGangsters im Studio zur Aufnahme ihres dritten Albums, dessen Veröffentlichung für 2026 / 2027 geplant ist. Parallel stehen sie für Clubshows und Festivals zur Verfügung.

„The riffs are crushing, the drums are brutal, and the bass rips through the bottom end [...] if there was one word to describe this album, it's energy. This is thrash at its thrashiest.“

• [Musipedia of Metal](#)

„Man wird von den Gitarren quer durch den Raum getreten, während man vom Schlagzeug einen Doublebeat auf die Ohrmuscheln gedonnert bekommt.“
